Selling Pressure is Evident in Stock Transactions in Wall Street Market.

NOTE Quotations reflect closing price, onday, Jan, 10.

New York, Inn. 16.—Nominal gains and leases attended the resumption of trading teday, leading shares showing few noteworthy changes from last weeks final questations. United States Steel opened with the smallest fractional gain, but soon fell-back and reactionary tendencies were later maintained by other leaders.

Selling pressure because more marked before the expiration of the first half hour, steel, American Smelling, Mexican Petroleum and some of the active war inutes than showing declines of one to three points.
